Czech Republic

in the factories Code 18860-A, 18860-B, 18860-C

are submitted by the manufacturer to the initial type-testing of the products, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body tBU - Institut für textile Bau- und Umwelttechnik GmbH, Greven, Germany, has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standards

EN 13249, 13250, 13251, 13252, 13253, 13254, 13255, 13256, 13257, 13265

were applied.

This certificate was first issued for geotextiles and related products on 15.09.2002 and for geosynthetic barriers on 08.09.2006 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

Greven, 28.03.2008

Prof. Dr.-Ing. Müller-Rochholz
